

Name: Olivia Martinez

Email: olivia.martinez@email.com

Phone: +1 111-222-3333

Objective:

Senior Data Scientist with expertise in healthcare analytics.

Work Experience:

- Data Scientist, MedTech Solutions (2017-Present)
 - Led predictive modeling efforts to optimize hospital resource allocation.
 - Built a deep learning model for detecting early-stage cancer in medical scans.

Education:

- Ph.D. in Bioinformatics, Johns Hopkins University (2013-2017)

Skills:

- Programming: Python, R, SQL
- ML Frameworks: TensorFlow, Keras
- Tools: Bioconductor, SPSS, Tableau

Projects:

- Developed an AI-based system for medical image segmentation.
- Built a real-time alert system for monitoring ICU patients.
